Mathematics 7 Set

Grade 7 - fully CAPS compliant

The grade 7 Mathematics Reference Book incorporates the five main content areas outlined in the grade 7 CAPS document viz:

1. Numbers, operations and relationships
2. Patterns, functions and algebra
3. Space and shape
4. Measurement
5. Data handling

There are 23 chapters which provide useful insight into all concepts which learners are expected to focus on and which serve as a useful foundation for grades 8 and 9.

Pupils should be encouraged to keep this book for use next year, as much of the information applies to grades 8 and 9 as well.

Instead of our telling you about the Workbook, why don't you visit our website and download, free of charge, the entire Chapter 1 PDF file (Whole Numbers). You may view it on your computer or tablet, or print the file. It will give you a good idea of what is in the 136-page Workbook.

The Workbook can be used for both classwork and homework exercises, and includes consolidation and revision exercises.

Chapters

- | | |
|-------------------------------------|---------------------------------|
| 1. Whole Numbers | 13. Graphs |
| 2. Exponents | 14. Transformations |
| 3. Construction of Geometric Shapes | 15. Geometry of 3-D Shapes |
| 4. Geometry of 2-D Shapes | 16. Integers |
| 5. Geometry of Straight Lines | 17. Data Handling |
| 6. Fractions | 18. Probability |
| 7. Functions and Relationships | 19. Functions and Relationships |
| 8. Area and Perimeter of 2-D Shapes | 20. Algebraic Equations |
| 9. Numeric and Geometric Patterns | 21. Financial Calculations |
| 10. Functions and Relationships | 22. Multiplication Tables |
| 11. Algebraic Expressions | 23. Divisibility Rules |
| 12. Algebraic Equations | |

Set of 8 nets includes:

1. Cube
2. Rectangular prism
3. Triangular prism
4. Square-based pyramid
5. Triangular-based pyramid (Tetrahedron)
6. Hexagonal prism
7. Cylinder
8. Pentagonal pyramid

Free Maths 7 App

Will work on most Android full screen phones

TITLE	Min. Qty (Bulk)	Shelf Price	Bulk Order Price	Quantity Required	AMOUNT
Maths 7 Set (i.e. all of the above)	50	R 80+	R 60		
Courier charge/P&P (R120 for orders less than the minimum quantity)					

TOTAL DUE

Please Note:

- 1 free copy with every 10 books ordered (schools only).
- Prices quoted here are for **school bulk orders** only (note minimum order).
- Books are usually couriered to schools.
- Shelf price refers to the normal selling price of the Set. Shelf prices do not apply to you.
- Resellers in many provinces operate totally independently, requesting large consignments of books from us. They have no other link whatsoever with, nor do they in any way represent, Exam Fever.
